Winning "is right" when it comes to telling about the Indians and what is to come. The Indians have regained a mastery with their war clubs again and the team is hitting like it never hit before. This is the information written here by Chief Lloyd to John Keiler, president of the local association, and the work of the team is seen in the summaries printed in the Danville and Jacksonville papers.

"The team is hitting like a house on fire." Is the way "Chief" Lloyd puts it. "Groh is a star standing alone in the Kity league. He is as fast as lightning on his feet and has been doing some phenomenal hitting. Cooper is swatting the ball all over the field, and Haas is there with his usual exhibition of good hitting. But Wetzel, well he is going so fast that others can be counted out of the race. He is by far leading the team in hitting. He gets two or three hits every game. Some of them are long drives but he is safe for a hit of some kind in all pinches."

The team's hitting accounts for the victories. Lloyd says with Perry on second and Groh on short that he has the fastest and hardest hitting infield in the league.

Lang has been released as he could not hit, and the management will have a right fielder this week. Lloyd is still playing right garden and the summaries show him to be hitting well. He was recently up four times, securing three hits, one being a triple, another a double and a single.

Mr. Keller stated this morning that he is after a fast man whom he will get this week to take Lloyd's place in the out field. This is the only weak spot in the team and the Indians will then be ready for all comers.

Rain at Jacksonville.  
Jacksonville, Ill., June 24.—Paducah-Jacksonville—Rain.

Hoosiers Beat the Hostlers.  
Vincennes, Ind., June 25.—The Hoosiers "trimmed" the Hostlers yesterday in a well played game. One more hit and one more score for the "Alys" shows the superiority over the Hostlers. Errors tallied.

The score: R H E  
Vincennes ..... 3 6 1  
Mattoon ..... 2 5 1  
Batteries—Perdue and Mattison; Dowell and Langdon.

Nine Passes.  
Danville, Ill., June 25.—Morgan and Waggoner gave nine passes to first base and came near giving the game away. Hard hitting and desperate fielding saved the day for the Rats, however. Hayworth and Bissell, the former of the Danville, and latter of the Cairo team, did some phenomenal fielding.

The score: R H E  
Cairo ..... 3 7 2  
Danville ..... 2 2 2  
Batteries—Morgan, Waggoner and Searles; Fleming and Shaw.

## Nature's Way Is Best.

The function strengthening and tissue building plan of treating chronic, lingering and obstinate cases of disease as pursued by Dr. Pierce, is following after Nature's plan of restoring health.

He uses natural remedies, that is extracts from native medicinal roots, prepared by processes wrought out by the expenditure of much time and money, without the use of alcohol, and by skillful combination in just the right proportions.

Used as ingredients of Dr. Pierce's Golden Medical Discovery, Black Cherry-bark, Queen's root, Golden Seal root, Bloodroot and Stone root, specially exert their influence in cases of lung, bronchial and throat troubles, and this "Discovery" is, therefore, a sovereign remedy for bronchitis, laryngitis, chronic coughs, catarrh and kindred ailments.

The above native roots also have the strongest possible endorsement from the leading medical writers, of all the several schools of practice, for the cure not only of the diseases named above but also for indigestion, torpor of liver, or biliousness, obstinate constipation, kidney and bladder troubles and catarrh, no matter where located.

You don't have to take Dr. Pierce's say-so alone as to this; what he claims for his "Discovery" is backed up by the writings of the most eminent men in the medical profession. A request by postal card or letter, addressed to Dr. R. V. Pierce, Buffalo, N. Y., for a little book of extracts from eminent medical authorities endorsing the ingredients of his medicines, will bring a little book free that is worthy of your attention. If needing a good, safe, reliable remedy of known composition for the cure of almost any old chronic, or lingering malady.

Dr. Pierce's Pleasant Pellets cure constipation. One little "Pellet" is a gentle laxative, and two a mild cathartic.

The most valuable book for both men and women is Dr. Pierce's Common Sense Medical Adviser. A splendid 1008-page volume with engravings and colored plates. A copy, paper-covered, will be sent to anyone sending 21 cents in one-cent stamps, or pay the cost of mailing only, to Dr. R. V. Pierce, Buffalo, N. Y. Cloth-bound, 31 stamps.

### Rain At Vincennes.

Rain at Vincennes prevented a game Saturday between Vincennes and Mattoon.

### Two More Towns.

Anderson and Marion, two thriving towns in Indiana, want to come into the K. I. T. league and it is probable that they will be admitted. They have applied formally to President Gosnell and President John Keller, of the Paducah association, received a telegram Saturday afternoon, asking how Paducah would vote in the matter. Mr. Keller telegraphed back, after consulting other members of the association, "Yes."

"I am in favor of taking them in," he stated this morning, "and am looking for a telegram from President Gosnell today about the action of other towns. I understand that other Kity league towns favor taking them in. It will mean a little change in the schedule, but it will make business better for the league and as the season has just started, and it will not interfere with the league at this early stage of the fight."

Mr. M. J. Farnbaker, of Cairo, who is probably the best informed baseball man in the league as to such matters, does not talk favorably of the admission of the two towns because they failed to hold up in the Central league. He does not think they will stick if admitted.

### Battle Cries.

"Everyone over the league feels sorry for Paducah for the poor ball she has been playing and the indifferent feeling that existed. However, a few changes are being made, and its dollars to cents that they don't remain at the tail end for many days. And we predict they will finish ahead of the River Rats—for they have a better team."—Vincennes Sun.

Jack Wortham has resigned as manager of the Danville team. "Nip" Langdon has left Mattoon. He was one of the best hitters and fastest fielding first sackers and

## DECIDE YOURSELF

The Opportunity Is Here, Backed By Paducah Testimony.

Don't take our word for it. Don't depend on a stranger's statement.

Read Paducah endorsement. Read the statements of Paducah citizens.

And decide for yourself.

Here is one case of it: Mrs. E. B. Barnard, residing at 1608 Broadway, says: "My husband had to give up the grocery business on account of so much sickness in the family, and I believe for the last six years I have hardly seen a well day until I got Doan's Kidney Pills at Alvey & List's drug store. I heard of them and knew of their benefiting others right here in Paducah, so I made up my mind to try them. My son and I each used a box and we soon found they were just the remedy we needed for we were both troubled with kidney ailments. The lameness left my back entirely and the rheumatism with which I have been afflicted was much improved. We can both highly endorse Doan's Kidney Pills as a kidney remedy of great merit."

catchers in the league. His loss will be felt.

Bob Berryhill has resigned as manager of the Mattoon team and Fred Moore, one of the owners of the team, has succeeded him.

Charlie French has been traded to Evansville by Vincennes.

Fleming has been sent back to the Cairo team. He said he would be "real good" and will be given another show. He is a fast fielder and sure stickler.

Lotshaw has been fined \$25 and given 30 days on the bench for striking Umpire Oakler. President Gosnell is determined to rid the league of all rowdy playing. He will have order if he has to bench every player in the league.

### Princeton Still Winning.

The twelfth straight round-up for the Princeton "Grays" was made Sunday when the "Grays" defeated the Henderson "Parities," a strong independent semi-professional team.

The score: R H E  
Princeton ..... 8 11 3  
Henderson ..... 4 4 7  
Batteries—Stevenson and Rutledge; Span and Gowen.

### L. A. L's Defeated.

The L. A. L. and Cairo Own teams played at Cairo yesterday and the Paducah team was defeated by a score of 14 to 3. Joe Woodbridge pitched for the L. A. L. team and Eddie Brahic caught.

### AFTER BURGLAR.

Five Policemen With Five Dark Lanterns Make Search.

Five policemen with dark lantern in one hand and pistol in the other, descended on the O'Brien stable at Tenth and Jefferson streets last night to catch a burglar, but the joke was turned on the officers.

Someone telephoned for policemen at the O'Brien stable. He had seen a negro crawl into the stable window and suspected he was after harness or horses. The officers responded quickly and found the man all right.

It was a laborer who occupied a room on the second floor of the stable. He had lost his keys and was forced to crawl into the window.

### Suit to Quiet Tide.

Grassham & Threlkeld have brought suit for Mrs. Sarah Martin and children, of Gilbertsville, Ky., in the Livingston county court, to quiet the title to a tract of land. The land was deeded to Mrs. Martin by her mother, Mrs. Bash Hicks, in 1892, but the deed was never recorded. Mrs. Hicks became angered at her daughter in December, 1905, and left carrying the deed with her. She has since died and left her estate to Gordon Russell, who claims the property which Mrs. Hicks had deeded to her daughter. The Martins have improved the land, paid taxes and they took care of Mrs. Hicks for fourteen years.
